PBO (NGO/NPO)

Role of NPOs and NGOs
NPOs and NGOs are essential for CSI. They're the ones who put the company's money to work on the ground.

NPO
"NPOs help specific communities or groups with services or support."

NGO
NGOs usually tackle bigger problems that affect entire countries or even the world.

"Monitoring Corporate Investments"
These organizations ensure that the money companies give is used well and makes a real difference.
